**MEMORANDUM FOR**

**THE ACTING SECRETARY OF STATE**

**SUBJECT:                      Current Working Draft of the President's  
Annual Report on Foreign Policy**

**Attached is a copy of the complete current working draft of the  
President's Annual Report on Foreign Policy.**

**It is, of course, subject to additional review and I anticipate  
modifications in the document between now and Saturday,  
February 14, 1970.**

**Because of the difficulty in meeting reproduction schedules, I  
would be grateful for your comments as soon as possible but  
hopefully not later than the close of business Thursday.**
